

Black Diamond Chromatic Button Accordion B System Major Scale Ascending Pattern for Row 1

This diagram shows the scale of D major however, you can use this pattern anywhere starting on the 1st row. In this way you can play major scales in the keys of D, F, Ab and B. Whatever note you start on will give you the name of the key that you are playing in. The sequence of white and black buttons will alter from key to key.

D major scale starts on button 3, Row 1. Follow arrows for ascending scale. All buttons are white in this key except for F# and C#.

Right hand fingers T = thumb / 1 = index finger / 2 = middle finger / 3 = ring finger / 4 = little finger

Please note : the fingering works ascending and descending the scale.
