

Sakkijarven Polka

E minor accompaniment

Wait four beats for intro

Section A play twice

Count eight beats for each chord in this section

Musical notation for Section A, showing two measures of E minor (Em) chords. The first measure includes a 4/4 time signature. The notes are 0, 0, 0 on the top three strings.

Section B play twice

Count eight beats for each chord in this section

Musical notation for Section B, showing two measures of E minor (Em) chords. The notes are 0, 0, 0 on the top three strings.

Section C play once

Count sixteen beats for each chord in this section

Musical notation for Section C, showing four measures of E minor (Em) chords. The notes are 0, 0, 0 on the top three strings.

Section D play twice

Count eight beats for each chord in this section

Musical notation for Section D, showing two measures of E minor (Em) chords. The notes are 0, 0, 0 on the top three strings.

Now go back and play **Section A** twice and **Section B** twice.

You only have to play one chord in this piece - E minor (Em). To play this chord simply strum the open G,B and e strings together in this direction - G>B>e.

Each bar has four beats so when you hold the chord for eight beats this is two bars and when you hold it for sixteen beats, this is four bars.
