

Black Diamond Chromatic Button Accordion B System Major Scale Ascending Pattern for Rows 3 (middle), 4 and 5 (nearest bellows).

This diagram shows the scale of C major however, you can use this pattern anywhere starting on the middle row, 4th row or 5th (inside row). In this way you can play major scales in all keys just using one pattern. Whatever note you start on will give you the name of the key that you are playing in. The sequence of white and black buttons will alter from key to key. Only C major uses all white keys.

C major scale starts on button 2, middle row. Follow arrows for ascending scale. All buttons are white in this key.

Right hand fingers T = thumb / 1 = index finger / 2 = middle finger / 3 = ring finger / 4 = little finger

Please note : the fingering works ascending and descending the scale.
