Verse 1

I closed my eyes drew back the curtain to see for certain what I thought I knew
 Far far away someone was weeping but the world was sleeping any dream will do

Verse 2

I wore my coat with golden lining bright colours shining wonderful and new
 And in the east the dawn was breaking and the world was waking any dream will do

Middle 8

A crash of drums a flash of light my golden coat flew out of sight
 The colours faded into darkness I was left alone

Verse 3

May I return to the beginning the light is dimming and the dream is too
 The world and I we are still waiting still hesitating any dream will do
